OWL SCHOLARSHIP FUND **MISSION** **STATEMENT**

Building Champions, Brick-By-Brick

The Owl Scholarship Fund (OSF) is committed to generating financial support to ensure a nationally competitive athletics program as a component of the educational mission of Florida Atlantic University.

The goal of the OSF is to provide annual funding for athletics scholarships for more than 450 student-athletes competing in 19 varsity sports.

The OSF strives to embrace and engage the most dedicated Owl fans.

LETTER FROM THE DIRECTOR OF ATHLETICS

Dear Owl Fans and Supporters,

Thank you for your support and commitment to the Florida Atlantic Owls. Your support is vital to our mission, purpose and goals. The future of FAU athletics has been bolstered by our move into Conference USA and our new home symbolizes the great work done in the past and the vibrant days ahead.

As we transition, our team is committed to delivering an athletics program centered on comprehensive excellence. Part of that transition is refocusing, rebranding and renaming the athletics annual fund. The annual fund will now be known as the Owl Scholarship Fund (OSF). Every dollar donated to the OSF will go directly to fund scholarships for more than 450 student-athletes competing in 19 varsity sports.

In the midst of rising scholarship costs and educational expenses, your continued support is critical to our goal to provide a transformative experience for our student-athletes. Members of the Owl Scholarship Fund receive exclusive benefits such as reserved priority football parking, access to the Delray Acura Club at FAU Stadium and invitations to special events hosted by the department of athletics.

All contributions to the Owl Scholarship Fund help mold the leaders and citizens of tomorrow through higher education complemented by intercollegiate athletics.

Show your support by making a contribution to the Owl Scholarship Fund today.

Go Owls!

Pat Chun
Director of Athletics

OWL SCHOLARSHIP FUND CONTRIBUTE TO EXCELLENCE

What is the function of the Owl Scholarship Fund (OSF)?

The Owl Scholarship Fund plays a key role in the effort to provide scholarship support to FAU's student-athletes.

Why is the OSF important?

Florida Atlantic currently has more than 450 student-athletes competing across 19 sports, representing the university academically and athletically. The financial support provided by OSF donors allows us to offer athletic scholarships to the most talented student-athletes and maintain top-notch athletic facilities.

Who can join the OSF?

Anyone interested in supporting student-athletes at Florida Atlantic may join the OSF. Many of our donors attended Florida Atlantic, but you don't need to be an alum to show your support – we welcome all FAU fans. To join the OSF today, simply donate online at FAUsports.com or contact us to make a pledge at 561-297-3199 or by email at osf@fau.edu

Does my gift make a difference?

When you contribute to the Owl Scholarship Fund, 100% of your donation goes to support scholarship opportunities for Florida Atlantic student-athletes. Every gift, no matter the amount, brings us closer to meeting the scholarship needs of our student-athletes.

Your gift provides a start to student-athletes who will lead in the classroom, in the community and in competition. Send in your pledge card or make a donation today to give FAU's student-athletes an opportunity to live their dreams.

Is my gift to the OSF tax-deductible?

The Owl Scholarship Fund is maintained by the Florida Atlantic University Foundation, which is a 501(c)3 organization. Donations of \$250 or less are 100% tax-deductible while donations above \$250 are 80% tax-deductible.

Does your employer offer gift matching?

Many employers will match contributions that their employees make to charitable and educational organizations, providing the opportunity to increase your gift to the Owl Scholarship Fund. If your company participates in a matching gift program, please obtain the information from your human resources representative.

"My scholarship made all the difference; it gave me a chance to continue my education while continuing to swim. That would not have been possible without contributions to the Owl Scholarship Fund. It was the right combination of coaches, an outstanding accounting program and the financial assistance provided by the OSF that made college a reality."
